White Lento 150 AH Lead Acid Tubular Battery, Voltage: 12v, Battery Type: Flooded Type. Lento flooded lead acid batteries are environment-friendly, highly reliable in performance and are low in cost. Here again our extensive research and development wing has helped us create batteries customized to suit Indian operating conditions.

The point is that even the best battery brand can't cope well with poor treatment. In the UK, we're lucky that the brands available at the major automotive retailers are solid. ... How You Treat The ...

If you have the space to add another battery in parallel, you could double the amp output while retaining the 12 output . That would give you a longer run time. That would work best if you use 2 batteries that are the new, and the same brand and size. If one battery is older then the other, it will be weaker then a new battery.

Battery Type: AGM Deep Cycle Amp Hours: 100 AH Weight: 68 pounds Dimensions:12.1 x 6.7 x 8.2 inches Warranty: 1 Year The VMAX MR127 12V 100 Amp Hour Deep Cycle battery is our best overall pick. This is ...

Except for S6, all the above models are lead-acid batteries while S6 is an AGM battery. My pick in this brand is the Bosch S6521B AGM Battery which has an impressive 750 CCA, 860 CA, 75 Ah, and a reserve capacity of 150 minutes.
