Where can I buy a car battery?

At Halfords, we're with you for the journey. Get a car battery check, buy a replacement car battery and have it fitted at Halfords or at home. Buy online or in-store!

What is the difference between EFB and AGM battery?

The EFB (Enhanced Flooded Battery) is used primarily in medium, small cars and LCV with basic stop-start features. The AGM (Absorbent Glass Mat) battery is mainly used on medium and executive/luxury vehicles, where more complex stop-start functions together with brake energy recuperation are standard.
