

How much does a battery replacement cost in India?

In that situation, you have to pay around \$5,500 or somewhere around Rs 4.5-5 lakh in India to replace the battery of your car. However, you have to pay this amount only if you already own an EV that needs a battery replacement. But, if you are buying an electric car right now, you will get at least 5-8 years of warranty on your battery.

What is the price of electricity in Nepal?

The producers sell electricity to Nepal Electricity Authority for NRs. 4.80 (\$0.040) during monsoon and NRs. 8.40 during winter. (Note: This is the price at which Nepal Electricity Authority buys the electricity, not the final consumer price.)
