

Who is Fujian Super solar energy technology?

Fujian Super Solar Energy Technology Co.,Ltd.,headquarter located in Xiamen port city,is an international hi-tech solar photovoltaic company. We provide first-class service through high-efficiency design and manufacture. 1. Aluminum mounting system design and manufacture; 2. Entire solar system design and product supply.

Who is Fuji solar inverter?

With a plant area over 12,000m² and complete production and testing equipment,Fuji has become a major player in the global solar inverter market. Fuji Solar Inverter Technology Co.,Ltd.is dedicated to providing complete photovoltaic power system solutions,including residential and commercial power plants solutions.

Why should you choose Fuji solar?

As a technology-oriented company, Fuji Solar has always been committing to research and develop new cutting-edge technologies to provide efficiency and reliable products. For example, Fuji Solar adopts T-type three-level topology and enhanced SVPWM algorithm to further improve the conversion efficiency by 0.7% compared with common SPWM.
