Experience powerful illumination with our 70W LED Solar Street Light, equipped with intelligent motion-sensing technology and a remote for easy control. Built with high-efficiency solar panels, it ensures zero electricity bills while providing durable, IP66 waterproof protection. Ideal for wide coverage and versatile i

Solar photovoltaic colloidal battery integration will be a bright spot in 2024 Our range of products is designed to meet the diverse needs of base station energy storage. From high-capacity lithium-ion batteries to advanced energy management systems, each solution is crafted to ensure reliability, efficiency, and longevity.
