

Where are star vision campers made?

Star Vision import flat-packed campers from China, which are then assembled here in their Australian factory. Stoney Creek Campers are made in China and shipped to Australia for the final assembly, which includes the gas and electrical components.

Are Mars campers made in China?

Mars Campers are another brand who have their campers made in China, with the final fitting, assembly, marketing and sales happening in Australia. They have their own Chinese manufacturing plant, which a huge amount of research and design has been invested into.

Where are Goldstar RVs made?

Goldstar RVs are made in China, then sold factory direct to the public, which cuts out the middle people in order to keep prices lower. Harvok electric caravans were established in China in 2018 as the centre of manufacturing, research and development.

Are Roma caravans still made in China?

However, in order to continue moving with the times, in 2018 they began building two of their models in China - the Avoka 22ft family van and the Razorback off-roader. For now, the other models are still fully Australian made. As of 9 August 2023, Roma Caravans has gone into liquidation.

Are ModCon campers made in China?

Modcon RV sold both Australian made and Chinese imported campers alongside each other for a number of years. Due to overwhelming popularity of the imported version, as well as rising production costs in Australia, they made the move to solely manufacture in China.
