

What are the foreign direct investment data for Cyprus?

The foreign direct investment data for Cyprus include both the initial and subsequent equity transactions between residents and non-resident direct investors and direct investment enterprises. In addition to the above, data also include all other capital or intercompany debt transactions between resident and non-resident related entities.

Why does Cyprus attract FDI?

Cyprus continues to attract significant foreign investment from around the world with billions flowing into new projects and sectors, proving the island nation's strong FDI appeal among global investors. A core benefit of Cyprus is its geostrategic location, offering a secure and stable EU environment in an often-turbulent region.

How much money do investment funds invest in Cyprus?

Investment funds have already invested more than EUR2.5 billion in several sectors of the Cypriot economy, such as shipping, hospitality, education, healthcare, and renewable energy. Tourism and High-End Real Estate Cyprus continues to be on the top of the list for investors, holiday-home seekers, expats and retirees.

Why is Cyprus attracting a lot of foreign investment?

Successive credit rating upgrades over the years and the continuous introduction of new incentives have attracted billions in foreign investment to Cyprus, with substantial inflows from the US, non-EU countries, and Asia including the Middle East.

How did FDI perform in Cyprus in 2022?

According to the Greenfield FDI Performance Index of FDI Intelligence, direct investments in Cyprus showed a 150% increase in the first half of 2022, compared to the corresponding period in 2019. Also noteworthy is the increase in investments in software and IT, which reached a 600% increase in 2022 compared to the corresponding period in 2019.

Is tourism a good investment opportunity in Cyprus?

The number of foreign investors closing multimillion-euro deals in the last several years underlines the fact that tourism-related real estate and infrastructure continues to be one of the most attractive investment opportunities in Cyprus. Total sales in 2022 reached more than EUR4.2 billion.
