

Are there any good capacitor brands?

There are many good capacitor brands. Not in particular order.. I personally prefer Rubycon but for reasons of availability do sometimes use Panasonic/nichicon. There are also many other ok brands but i prefer the above.

Re: Capacitor brands? Don't ever buy capacitors from China. Especially top brands from the post above.

Who makes Sang Jing capacitors?

Sang Jing Electronics is a Taiwanese capacitor company established in 1984. Their electrolytic capacitors have been distributed under the multicomPRO brand, the 'home brand' of distributor Premier Farnell Limited (other names Farnell /Newark /element14 /CPC). Some small Rubycon capacitors have a boxed R instead of the full Rubycon logo.

What is a capacitor & how does it work?

A capacitor is a passive device on a circuit board that stores electrical energy in an electric field by virtue of accumulating electric charges on two close surfaces insulated from each other. This is a list of known capacitor manufacturers, their headquarters country of origin, and year founded.

Where can I buy a capacitor?

Capacitors seem to be one of those things that is counterfeited a lot, so definitely want to buy from good sources like Digikey, Mouser etc. Avoid Ebay, Aliexpress, Amazon etc as you don't know what you're getting. Re: Capacitor brands? Vishay and Kemet are not "premium" grade electrolytic manufacturers.

Should I buy capacitors from China?

Don't ever buy capacitors from China. Especially top brands from the post above. In addition to those there are: Vishay and Kemet are not "premium" grade electrolytic manufacturers. Kemet makes fine poly's and Vishay makes fine ceramic caps. I would not recommend either as first choice for Electrolytics.

Is Ali express a reliable source of capacitors?

Never buy capacitors from unreliable sources as there are huge market for fakes. Ali express is not reliable source of goods. There are many good capacitor brands. Not in particular order.. I personally prefer Rubycon but for reasons of availability do sometimes use Panasonic/nichicon. There are also many other ok brands but i prefer the above.
