

Battery As a worsening drought slashes the country's hydropower production, creating lengthy power cuts, Zimbabwe's industries are beginning to turn to solar panels and battery storage systems to keep business humming. Distributed Power Africa (DPA), a subsidiary of mobile phone provider Econet Global, has over the last year begun installing solar panels ...

In 2011 he joined the Infrastructure and Development Bank of Zimbabwe (IDBZ) as Head of Corporate Banking Department and moved to head the Bank's Credit and Policies Department in 2020. In October 2023, he was promoted to Director responsible for the Bank's Infrastructure Projects Department.

The IDBZ was formed on the 31st of August 2005, taking over the assets and liabilities of the former Zimbabwe Development Bank ("ZDB"). It was primarily set up as a vehicle for the promotion of economic development and growth, and improvement of the living standards of Zimbabweans through the development of infrastructure, which includes but not limited to ...
